The screenshot shows a listing page for a service. On the left, there's a large thumbnail image with the text "WORLDWIDE WEB TRAFFIC" and "[10 / 20 / 30] Days". Below it are "Google Analytics" and "Low Bounce Rate" badges, and a "HIGH QUALITY WORLDWIDE TRAFFIC SERVICE" banner. On the right, there's a sidebar with a "Full Screen" button, a price of "\$3", a green "ORDER NOW (\$3)" button with a red arrow pointing to it, and a user profile for "SeoNiro" showing "EST 2020", "800+ ORDERS SUCCESSFULLY COMPLETED", "100% 5★", and "Offline". Below the profile are "FOLLOW" and "CONTACT" buttons, and a "CUSTOM ORDER" button. At the bottom of the sidebar, there's a table with service details:

Khi order xong thì mình đưa link cần đầy views vào và ngày hoàn thành, nếu muốn nhanh hơn thì thêm tiền để mua gói nhanh hơn, còn không thì 10 ngày

sau đó bên đó sẽ phản hồi lại và gửi link tracking cho mình xem

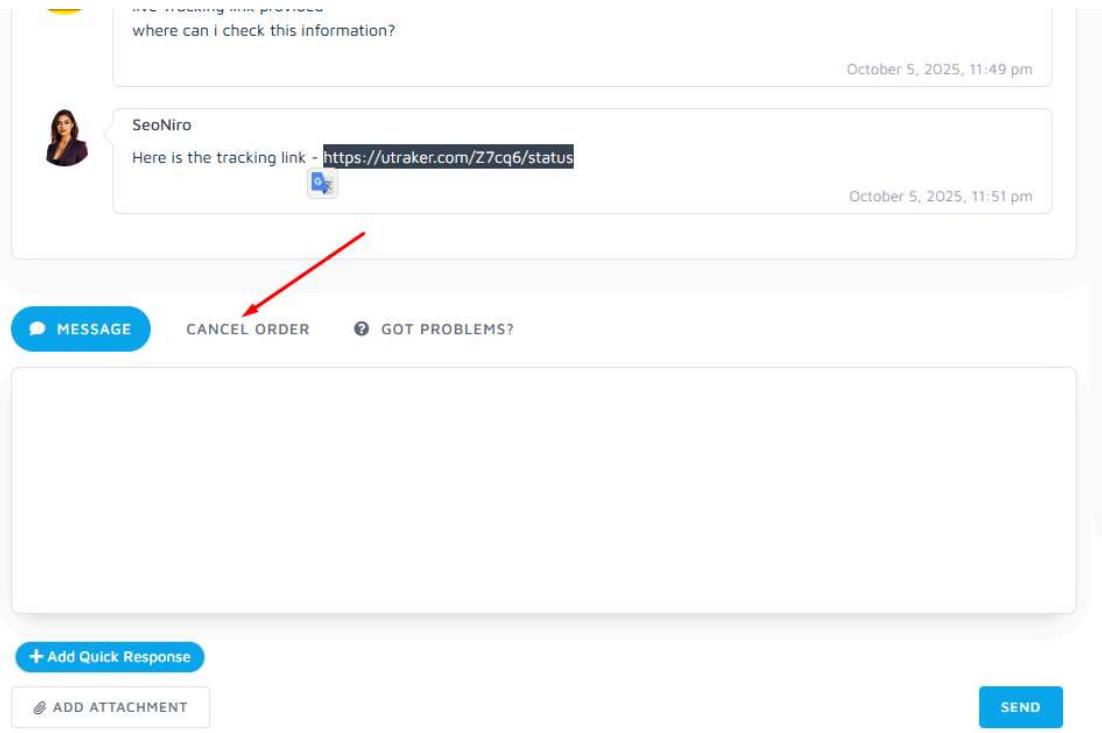

ví dụ link tracking của link bánh trung thu nhu lan:

<https://utraker.com/Z7cq6/status>

Thường là sau 1 ngày họ sẽ bắt đầu triển khai. Nếu không thấy
mắt xem tăng thì vào gửi message cho họ

Nếu 10 ngày mà không hoàn thành thì mình bấm nút cancel, sẽ
hủy dịch vụ và refund cho mình

Tuy nhiên, không nên hủy mà không có lý do, vì nếu thế thì khi cần mua dịch vụ họ sẽ không cung cấp cho mình nữa
